Subject: Notice of Intent to Adopt an Amended White Wolf Subbasin Groundwater Sustainability Plan

Dear Ms. Espinoza and Ms. Anderson,

In accordance with California Water Code (CWC) §10728.4, the White Wolf Groundwater Sustainability Agency (GSA), which was formed in 2017 by a Joint Powers Agreement between Arvin-Edison Water Storage District, Tejon-Castac Water District, Wheeler Ridge-Maricopa Water Storage District, and the County of Kern pursuant to CWC §10723(a), is hereby providing notice to the cities and counties within the geographic area covered by the White Wolf Subbasin Groundwater Sustainability Plan (White Wolf GSP) that it intends to adopt the amended White Wolf GSP in the winter of 2026, no earlier than 90 days after your receipt of this notice. The area covered by the White Wolf GSP contains no incorporated cities and is fully contained within Kern County.

In January 2022, the White Wolf GSA adopted the White Wolf GSP. In October 2023, the California Department of Water Resources (DWR) determined the White Wolf GSP to be

"approved" and provided recommended corrective actions for the GSA to consider during its first Periodic Evaluation. The White Wolf GSA has completed its first Periodic Evaluation and as a result has amended certain sections of the White Wolf GSP related to assessment of sustainable groundwater conditions, including the Sustainable Yield, Sustainable Management Criteria, and Monitoring Network.

The Public Review Draft of the Amended White Wolf GSP is available for download at the White Wolf GSA website at the following link: http://whitewolfgsa.org/

The amended White Wolf GSP will be considered by the White Wolf GSA Board following a public hearing and, if adopted, will be implemented within the White Wolf GSA area in compliance with the Sustainable Groundwater Management Act (SGMA; Part 2.74 of the CWC) and associated regulations.

The White Wolf GSA will review and consider the comments on the Amended White Wolf GSP from the recipients of this notice and will consult with Kern County, if requested, within 30 days of receipt of this notice. As detailed on the GSP download webpage, please provide any comments you may have either by:

1. Email to Angelica Martin at amartin@tejonranch.com, or
2. Mail to White Wolf Subbasin GSP

The Public Review Draft of the amended White Wolf GSP became available for public comment on 7 July 2026. The White Wolf GSA elects to have a 60-day public comment period. Therefore, all comments must be submitted by 5 September 2026 to be considered by the White Wolf GSA.
