Wheeler Ridge-Maricopoa Water Storage District
12109 Highway 166, Mettler, CA 93313

MINUTES OF THE REGULAR BOARD OF DIRECTORS MEETING

Date of Meeting: Tuesday, October 6, 2026
Location: Remote and In-Person
Meeting Commenced at 7:30 a.m. with the pledge of allegiance.

DIRECTORS PRESENT: Tito Martinez, Trey Irwin, Dolores Salgado, Jeff Mettler, Colby Fry
DIRECTORS REMOTE: None
ALTERNATES: None
DIRECTORS ABSENT: Jeff Giumarra

PUBLIC AND STAFF: Alanna Godell from DWR, Christina Lucero, Sarah Garandey, Anona Dutton, Robert Velasquez, Michael Miller, Sheridan Nicholas, Michelle Nop, Jeevan Muhar, and Legal Counsel Alan Doud.

Chairman Martinez did a recognition of guests and continued to the review of the draft meeting minutes of the Regular Board Meeting of July 7, 2026. On motion by Director Irwin, and seconded by Director Salgado, the minutes were unanimously approved.

Robert Velasquez presented the financials as of August 31st. He explained payment for grant fund invoice #9 had just been received and payment of bills could proceed smoothly. There were no questions and on motion by Director Mettler, seconded by Director Irwin, the financials were unanimously approved.
The LandIQ contract was presented by Christina Lucero. It's a three-year contract based on crop acreage. There is a 3% escalation for years two and three but 6% for the first year. She pointed out this expense was covered by the ending grant. There could be an opportunity for future grant coverage and potentially recover some of these costs. After a brief discussion the Board voted, and on motion by Director Colby, seconded by Director Salgado, the contract was approved unanimously.

Ms. Martin announced that amendment #7 , which to allow the GSA the relocation of grant money had been approved by DWR. She also advised that payment for invoice #9 had been received and invoice #10 was under review by DWR.

Christina Lucero presented groundwater levels for the months of August & September. No undesirable results and minimum threshold exceedance were reported.
Christina informed that the use of the Tut Bros wells for water quality monitoring was not viable. Coordination with owners of the Grapevine RV Park had been successful. The Cuyama Orchards is no longer an option, instead it was recommended to use one of the supplemental wells which is in the vicinity of several domestic wells and appears to be ideal for this function. She continued to give an update on subsidence ongoing work.

Christina continued to talk about the GSP revisions, and Periodic Evaluation. She mentioned a public comment was received via a letter from CDFW outside of the public comment period Their main concerns were the ISW and GDE. Christina pointed out that DWR had not yet released its final guidance on ISW and had verbally indicated to the GSA that the 2022 GSP had conflicting ISW information and was looking for consistency pertaining to local finding of no ISW. She explained the proposed response to the letter is by adding language in the GSP that specifically addresses their concerns. Chairman Martinez asked if legally there was any need to respond to a letter that was

submitted after the public comment term ended. Chrstina explained the GSA does not respond directly to public comments but tries to address concerns in the GSP. She continued to talk about PMA's. and the schedule for GSP and Periodic Evaluation timeline.

Ms. Martin provided an update on correspondence which was the CDFW letter mentioned before.

There was a public comment for Sheridan Nicholas regarding the upcoming November 3 board meeting/public hearing and recommended holding it at the AEWSD offices. The Board agreed to the recommendation.

The Board instructed to present the option to change the start time of the meeting to 8:00 a.m. at the next board meeting for further discussion.

There was no closed session.

On motion by Director Irwin, seconded by Director Salgado, the White Wolf GSA meeting was adjourned at 8:48 a.m.

_____

Angelica Martin, Secretary, White Wolf Subbasin GSA

Approved by: White Wolf Subbasin GSA Board of Directors Dated: November 3, 2026
